Welcome to YPSA

Dear New Parents:

Thank you for choosing Yav Pem Suab Academy (YPSA) to educate your child to become a lifelong scholar and LIFESKILLED leader. YPSA is an independent charter school operated under the Urban Charter Schools Collective (UCSS). YPSA has been serving families and scholars throughout the Sacramento region for the past 13 years. The school has experienced tremendous growth in scholar enrollment from 171 when it first opened its door on August 2, 2010, to more than 470 scholars today. The scholar achievements have shown consistent progress as indicated by the California Assessment of Student Performance and Progress (CAASSPP).

What distinguishes YPSA from other schools is its instructional approach with innovative bell schedule and instructional strategy. Scholars attend classes Monday through Thursday at longer hours (8:00 AM to 5:00 PM for Grades 1 – 6 and 8:00 AM to 2:00 PM for TK and K) with a shorter summer break. This innovative schedule affords the scholars greater instructional minutes and supports most parents’ work schedules. YPSA adopted the Highly Effective Teaching (HET) Model developed by Susan Kovalik and Karen Olsen for instruction. YPSA also offers courses in Hmong Language Development and Movement (P.E., Dance, and Taekwondo) in addition to English, math, science, and social studies.

The purpose of this “New Scholar Enrollment Packet” is to collect information needed to enroll your child and for the school to provide the appropriate supports and services for your child’s learning needs and well-being. This packet provides important information about YPSA, your rights as parents, and your child’s rights as scholars in school.

The "New Scholar Enrollment Packet" is available at the Front Office during regular school hours and on the school website <https://www.ypsacharter.org/>.

YPSA Vision: To develop lifelong scholars and LIFESKILLED leaders, enabling them to be productive, responsible, and contributing members of society."

Oral Health Assessment Form

California law (*Education Code* Section 49452.8) says every child must have a dental check-up (assessment) by May 31st of his/her first year in public school. A California licensed dental professional must do the check-up and fill out Section 2 of this form. If your child had a dental check- up in the last 12 months, ask your dentist to fill out Section 2. If you are unable to get a dental check- up for your child, fill out the separate Waiver of Oral Health Assessment Requirement Form.

This assessment will let you know if there are any dental problems that need attention by a dentist. This assessment will also be used to evaluate our oral health programs. Children need good oral health to speak with confidence, express themselves, be healthy and ready to learn. Poor oral health has been related to lower school performance, poor social relationships, and less success later in life. For this reason, we thank you for making this contribution to the health and well-being of California’s children.

No child will be allowed to walk/bike home without prior consent from a parent guardian. Pre-kindergarten through third grade scholars will not be allowed to walk or bike home without a parent-approved older sibling or adult.

Scholar's Name: _____ Grade: _____

I, _____ (parent/guardian's name), grant permission for my child indicated above to walk/bike home (or to another specified destination) on his or her own after school. I have explained to my child the safety aspects of walking and/or bicycle riding home on his or her own.
